## Bridal Trial

A session with me to perfect the look for your wedding day! Several looks can be tried until we find the perfect one for you. We then know exactly what to recreate on the day, ensuring everything runs smoothly. This is also a great time for you to road test the makeup- to check it stays looking perfect all day. It is also nice to meet beforehand to discuss everything/ put a face to a name! Some clients like to arrange this for when they are going to a special event afterwards. - **£70**

When I invoice you for the trial (1-2 weeks beforehand), I also invoice you for a non-refundable holding fee to secure your wedding day booking. This is deducted from the total cost of the services for the big day, to finalise your booking - **£30**

## Wedding Day:

Premium Bridal Makeup Application on your wedding day- **£145** (Minimum booking that I require)

Additional Makeup Applications (Bridal party etc) - **£35** per person- lashes included if desired

Hair- Price dependent on whether I, or one of my hair stylists will be doing hair on the day (dependent on numbers and timings)

Travel costs are applicable (Face value of train ticket/Uber)
