An up to 2 hour session with me, to perfect the look for your wedding day! Several looks can be tried until we find the perfect one for you.

We then know exactly what to recreate on the day, ensuring everything runs smoothly. This is also a great time for you to road test the makeup- to check it stays looking perfect all day.

It is also nice to meet beforehand to discuss everything/ put a face to a name! Some clients like to arrange this for when they are going to a special event afterwards- **£125**

Bridal Makeup & Hair Trial With Lizz (Occasionally available on request) - **£145**

Wedding Day:

Bridal Makeup Application - **£165** (Minimum booking that I require- includes lashes).

Additional Makeup Applications (Bridal party etc) - **£45** per person- Includes lashes.

Hair- I work with some amazing freelancers and can put you in touch! I tend to stick to doing just makeup these days, as this is my passion <3

Travel costs are applicable (Face value of Uber x2).
